

# Shopping Made Easy Right Here!

How? Buy gift cards through the Scrip program at our parish. It is an on-going fund raising program, used for our debt reduction. Parishioners purchase gift cards from the program and spend them at the businesses they normally shop at. Since the church purchases them at a discount a profit is made by selling them at face value to you.

How does it work? The Scrip program has a number of options as to how members can use the program to help the church. First and easiest-Purchase on hand certificates. We have several types on hand all the time. The gift cards can be used the same as cash and since they are a gift card, any remaining balance stays on the card until your next purchase. We have many businesses whose cards are on hand. See the list on the next page. The other option is to place an order. Simply fill out an order form at the bottom of this sheet with prepayment and turn it in at the Scrip table after Mass or drop it at the office(M-F 8am-4:30pm). Your certificates/gift cards will be available for pick up the following weekend or at the parish office.

Consider buying these gift cards to do your shopping or give them as gifts. The gift can't be wrong if someone picks it out themselves. We all need groceries! Why not use Coborn's or Cub gift cards to buy your groceries and give that back to the church.

Where can I buy Scrip? Scrip is sold after all Masses in the Fellowship Hall from on hand inventory. You can purchase or place an order with pre-payment. You can also purchase Scrip at the parish office. Ordered cards can then be picked up the following weekend, at the parish office or we will mail them to you.—Now that is shopping made easy!!

The Scrip program at Immaculate Conception has been active for several years. It may not seem like a lot of money, but when many people participate regularly, it can add up. If you have any questions just stop by the Scrip table after Mass or call the Scrip Program Coordinators, Jim and Roseann Moeller at 393-2046 with questions, to volunteer or provide other input. A little effort means a lot. Give back while you shop!
